In re:

FTX TRADING LTD., et al.,

Debtors.

Chapter 11

Case No. 22-11068 (KBO)

MOTION TO RECLASSIFY CREDITOR CLAIM AND ENFORCE EQUAL TREATMENT UNDER
11 U.S.C. § 1123(a)(4)

(Filed Pro Se by Creditor Tony Nguyen)

I. INTRODUCTION

I, Tony Nguyen, respectfully submit this motion pro se as a creditor in the above-captioned Chapter 11 case. I am the holder of a valid claim originally exceeding \$50,000, for which I was classified in Class 5. I am a small business owner and individual victim of the FTX collapse. I bring this motion to respectfully request that the Court review my recent reclassification into Class 7 (Convenience Class), which occurred without explanation or consent.

II. STATEMENT OF THE ISSUE

Despite being similarly situated to other Class 5 claimants, I have been reclassified into Class 7 without receiving any rationale from the Debtors or their agents. I did not consent to this reclassification, nor have I been given the opportunity to object prior to the change. This misclassification significantly reduces my recovery and constitutes unequal treatment under the Bankruptcy Code.

III. LEGAL BASIS

Pursuant to 11 U.S.C. § 1123(a)(4), a Chapter 11 plan must “provide the same treatment for each claim or interest of a particular class, unless the holder of a particular claim or interest agrees to a less favorable treatment.” I did not agree to less favorable treatment. My claim should be treated equally to other similarly situated creditors within Class 5. The current classification appears arbitrary and may constitute a violation of the statutory mandate.

IV. EVIDENCE OF ATTEMPTS TO RESOLVE

I have made multiple good-faith efforts to obtain clarification regarding my reclassification. I contacted the FTX support team and was referred to Kroll. However, neither party has provided any meaningful explanation or assistance. My requests have gone unanswered, despite repeated follow-ups.

V. RELIEF REQUESTED

I respectfully ask this Court to:

Review the circumstances of my reclassification from Class 5 to Class 7;

Direct the Debtors to provide a detailed justification for this change;

Tony Nguyen
